Re: Motion for Waiver of Pre-Hearing Procedures (400 K Street NE BZA No. 18979)

The applicant respectfully requests that Board waive Pre-Hearing provision specifically set forth under § 3113.8, which requires that all supplemental documents and any other pertinent information related to an application before the Board be filed no later than fourteen (14) days before the date of the hearing.

The applicant believes that the late filing is not prejudicial to any party and all other stakeholders of interest, given wide knowledge of the application, which remains the same from the date of the original filing, save for the revisions to accommodate the concerns expressed in the affected ANC's resolution of opposition.

Further, the applicant will provide the ANC and the Office of Planning (OP) with electronic copies of the supplemental submissions

Thank you in advance of your consideration.

Respectfully
