Re: **BZA Application of Frances Raskin**
333 F Street NE

Dear Board of Zoning Adjustment:

I am the adjacent property owner at 331 F Street NE. My neighbor Frances Raskin of 333 F Street NE is seeking a Special Exception of the District of Columbia zoning regulations to build a two story rear addition. She has shared the drawings of the proposed addition that will be submitted with her application to the BZA.

I have reviewed the materials and support the proposed addition.

Sincerely,

_____, owner
