

Dear BZA Chairs,

We are writing this letter to request to have our presentation date, currently scheduled for April 5th, postponed to April 19<sup>th</sup>. We are requesting this change to give all parties involved adequate preparation and review time. We have contacted our ANC and they have agreed to the postponement of both our ANC and BZA presentation (please see attached email correspondence).

Thanks for your consideration,

Carrie,

ANC 3D has no problem with rescheduling your presentation of revised plans to our April 6 meeting as your BZA hearing is April 19, 2016. Please make sure copies of plans are distributed to all commissioners and the ANC mailbox at least one week prior to the meeting. We need to have the exact plans you file with IZIS so the ANC and BZA are reviewing the same documents. We would also appreciate written letters of support from your two adjacent neighbors, and recognize Mr. Becka is a party to this case and may prefer to appear at the ANC meeting.

ANC 3D looks forward to seeing you on April 6, 2016.

Alma Gates ANC 3D05.

Dear Mrs. Gates,

This is a follow up to our request to postpone our ANC March 3rd presentation (an e-mail sent to the 3D ANC on Feb. 8th) to April 6. Will you grant us this request? If not, or if we do not hear from you before the close of business on Monday (2/22), then we will present with the updated information that we have.

To be clear, Phong and I are requesting the March 3rd meeting postponement in order to give all parties involved adequate time to review and prepare. As it stands today, we will not have a final signed memorandum from DCRA/Zoning to present at the ANC (We will likely have a draft). We would like to have the final memorandum and our near-final plans with options for discussion with Mr. Becka first and then other neighbors.

In addition, you have requested that all of the necessary documents be uploaded into IZIS a week before the ANC meeting for Commissioner's review. To do this, we would have to accomplish the former to ensure that Mr. Becka, our neighbors, ANC Chairs and the Office of Planning all have

equal opportunity for review.

We apologize for the short notice but have not had a response to our February 8th email request.

Thanks for your consideration.

Carrie and Phong Trieu
