Re: Application No. 18987 – 1124 Florida Avenue NE

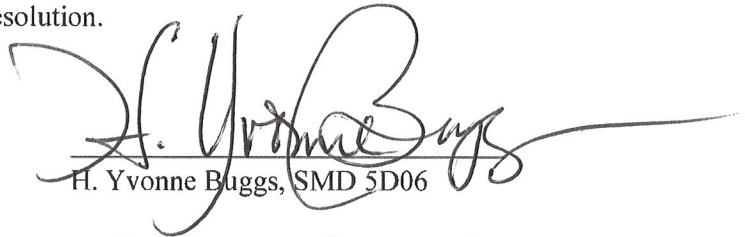

Chairperson Lloyd Jordan and Honorable Members of the Board:

On July 2, 2015, ANC 5D held a special meeting, at which the below signed Commissioners were present. BZA Case Number 18987 presented revised plans to the Commission. Upon hearing about the numerous changes made to the project to address community concerns, we voted unanimously, with one Commissioner not present, to support the project as revised.

It has been brought to our attention that the Chair has not submitted the ANC resolution to the BZA. In an abundance of caution, we submit and affirm that the below Commissioners voted to support the relief requested and the attached resolution.

Keisha L. Shropshire, SMD 5D02

H. Yvonne Buggs, SMD 5D06

Adam Roberts, SMD 5D03

Clarence Lee, SMD 5D07

Bernice S. Blackwell, SMD 5D04
