Subject: Comments Due to Zoning on "pop-ups"

To whom it may concern,

I add my name to the list of concerned residents in the upper Columbia Heights/lower Petworth area of NW DC. What we are observing is an erosion. Unsightly, ill-conceived, and badly constructed buildings have been added to the quadrant bordered by Upshur, 16th, Park & Georgia, at an alarming rate. Please consider limiting the continued rise of these pop-ups.

Sincerely,

Colin J. Saldanha Ph.D.
