Points and Authorities:

Please state each and every reason why the Zoning Commission (ZC) or Board of Zoning Adjustment (BZA) should grant your motion, including relevant references to the Zoning Regulations or Map and where appropriate a concise statement of material facts. If you are requesting the record be reopened, the document(s) that you are requesting the record to be reopened for must be submitted separately from this form. No substantive information should be included on this form.

- 1) The attorney for the owner of 1521 Varnum Street, NW submitted to me another set of building plans on Friday, August 14, 2015 regarding provision of a 10-foot setback from the chimney which would remove a portion of the third story and create a court yard.
 - 2) My testimony for the new BZA date of September 15, 2015 is due on September 1, 2015. I would only have 18 days to respond to these new plans.
 - 3) I have to work with a architect for a review of the plans and have to consider his timing and the additional cost I have to incur.
 - 4) I am not a lawyer, architect, or engineer. This case is extremely important and careful review is warranted and necessary.
- I therefore respectfully request that this case be extended to give me sufficient time to get the money, secure a architect, give the architect time to review, provide me feedback and finally give me enough time to thoughtfully respond to their submission.
