

Attached you will find my statement in support of John Stokes and his appeal No. 18991.

Pursuant to BZA regulation 3106.2:

I, Brian Crawford, owner of 1513 Varnum Street, NW Washington DC 20011 request to appear as a party in support John Stokes and Appeal No.18991. I will not be represented by legal counsel.

My attached statement conveys that I live 4 houses (and less than 100 yards) from the 7 bedroom, 2 bath codo building proposed at 1521 Varnum Street, NW. This project will undoubtedly negatively impact our R-4 Zoned neighborhood and is completely and totally out of character for our family friendly street.

Thank you.
