To whom it may concern:

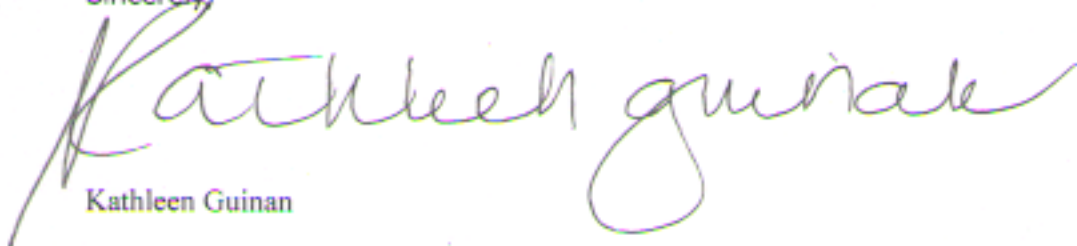

I am writing on behalf and in support of my good neighbors Colleen Reilly and husband Gary Addie, who live across the street from me and will be updating their home and plan to put on a very modest addition to their home.

I have absolutely no objections to this small addition to improve their home which is an older and small home that would really benefit from the updating. Looking at the plans, it is beautifully in character with their home and our neighborhood. It would not compromise anyone's property or privacy and I think it would only serve to enhance our great neighborhood.

I fully support their application.

If you need any further information in support, please give me a call at 301.503.0666.

Sincerely,
