

March 21, 2015

We are the back yard neighbors to Colleen Reilly and Gary Addie who live at 2412 Chain Bridge Road, Washington, DC 20016. Our homes share a full property line back yard fence with them.

We are writing this letter in support and to say we have no objections to the modest addition they would like to build. Our home, backyard, view, light or backyard will not be negatively affected since the addition is a small first floor/one story addition. We support their application.

Sincerely,

Wendy Passage
