Re: **BZA Application of Robert A. Altman, as Trustee of the Macomb Street Trust, 3401 Macomb Street NW**

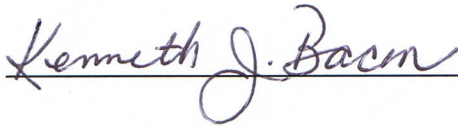

Dear Board of Zoning Adjustment

I am the adjacent property owner at 3401 Macomb Street in Northwest. My neighbors Trustee Robert Altman/Beneficiary Susan Altman/Agent Paul Oscar Trepanier are seeking a special exemption of the District of Columbia zoning laws to extend a non-conforming side yard 14'-11".

They have shared the drawings of the proposed conversion that will be submitted with the application to the BZA.

I have reviewed the materials and support the proposed conversion. I recommend that the BZA grant the request for the special exemption.

Sincerely,
