Washington, D.C. 20016

And to Advisory Neighborhood Commission members, and to others whom it may concern,

~~We~~ have read the description and reviewed the Pierson Residence drawings dated February, 2015 that depict the Piersons' proposed residential renovation project.

_____ As it appears that their project will have little or no impact on neighboring properties, ~~I~~ *we* support the application and requested relief stated in their letter.

_____ Other Comment:

Sincerely,

George Thomas Washington (name) *Gader Meijhen*

S & J

We both agree that you have a good plan & a great idea. We particularly like the removal of the car port. If there were to be complaints about any aspect we would logically be the first in line since we are your next door neighbors. We have none. We wish you good luck & good progress.
