Hi Michael:

I reviewed the plans for 242 10th Street and you have our support for the renovation. I'm not able to send in the letter because I'm traveling abroad and don't have access to a fax machine or scanner, but you can use this email for the BZA meeting. We own the house at 919 C Street, NE. Let me know if you need anything else.

Best Regards,
Brad and Valarie Ney

Hi Brad,

I hope you are enjoying spring break!

Please find the attached drawings and petition of support for your review. We have our ANC sub-committee meeting on Wednesday evening, so it would be great if you could send me this digitally before then.

Thanks for your help! and Sharon thank you for putting us in contact!

Have a great weekend,

Michael Blake, AIA

Hi, Brad - am connecting you with Michael Blake at 242 10th via e-mail. Scott and I just affirmed our support of their back yard req waiver by signing a petition. They'll essentially expand to the same footprint as Leigh and David's house. I believe you all are away on spring break now/soon so thought an e-mail connect was best.

Hope all is well. Give A a big squeeze from us.
