Re: Proposed work at 2216 12th Street, NW

To Whom It May Concern:

We are the owners of 2216 12th St NW. We met with Annie Doris Pollard and have reviewed the architectural plans for their proposed project at 2216 12th St. NW. We understand that she will be extending a one-story addition at the rear of the house. The project will increase the footprint of the house, but won't reduce the existing width of the open court.

We support the general design of the project and have no objections to the project moving forward.

Sincerely,
