

GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF TRANSPORTATION

d. Policy, Planning and Sustainability Administration

MEMORANDUM

TO: District of Columbia Board of Zoning Adjustment

FROM: Sam Zimbabwe
Associate Director 

DATE: June 9, 2015

SUBJECT: BZA Case No. 19008 – 2907 P Street N.W. (Square 1268, Lot 810)

APPLICATION

Pursuant to 11 DCMR §§3104.1 Joe and Joyce Hezir (the “Applicant”) seeks a special exception under §223 from the lot occupancy requirements under §403, to allow a two-story rear addition to an existing three-story, one-family dwelling in the R-3 District at premises 2907 P Street N.W. (Square 1268, Lot 810)

RECOMMENDATION

The District Department of Transportation (DDOT) has reviewed the Applicant’s request and determined, based on the information provided, the proposal will have no adverse impacts on the travel conditions of the District’s transportation network. DDOT has no objection to the approval of the requested special exception.

DDOT’s lack of objection to the zoning special exception should not be viewed as an approval of public space elements. For the portions of the project with elements in the public space requiring approval, the Applicant is required to pursue a public space permit through DDOT’s permitting process. The Applicant may refer to the District of Columbia Municipal Regulations and DDOT’s Design and Engineering Manual for specific controls of public space. A summary can be found in DDOT’s Public Realm Design Manual.
