

I am a neighbor of 1827 Adams Mill Rd. I support 1827 Adams Mill Investment LLC's request for a special exception from the prepared food shop requirements under Sections 712 and 712.3(t), to allow a prepared food shop with greater than 18 seats in the C-2-A District at 1827 Adams Mill Rd, NW (Square 2580, Lot 521). Allowing quality sit-down restaurants in the neighborhood provides additional dining options and encourages positive community growth.
