

To all concerned:

We, the residents of 1783 Lanier Place raise strong objection to the use of outdoor spaces that face 1794 Lanier Place _ LOT 521, for ANY daytime and evening uses for the service of food and or alcohol.

Lanier Place is a quiet residential street and the two small businesses on this street are exclusively indoor. Any incursion that faces Lanier Place, for the purpose of a bar or restaurant business, seriously compromises the comfort, safety and value of our property.

Jonathan and Barbara Margolis, owners, 1783 Lanier Place.
