Subject: Residential Building Permit Application; 1329 East Capitol St, SE,
Washington, DC 20003

This letter is to indicate our approval for the plans of our neighbors, Maurice R Landes and Rekha Mehra, to construct a 3-story rear addition to their home at 1329 East Capitol St., SE. We understand that the application for a building permit for this project is currently under review by DCRA.

Our neighbors have reviewed the drawings for the proposed project with us, and we have no objections to the plan for a 3-story addition. The size and design of the proposed addition is consistent with the size and design of others already constructed on the same block.
