Re: **Proposed Conversion to a Two-Unit Flat/File No. B1409798**

To All Concerned,

This letter is to advise you of a request being made to the Board of Zoning Administration seeking special exception to change my residence to a two-unit flat residence occupancy. As a single resident, neither the internal infrastructure or external structure will change or adversely affect your residence; i.e., noise or parking availability. There are two other residences on the our block which have been granted this special exception. Please expect a written notice of the hearing date at which time you are welcome to submit comments.

If you'd like to discuss further, we can discuss in person.

Sincerely,

Jeanette M. Corley
