

Statement of Intended Use: 2536 Queen Anne's Lane, N.W.

I, Wiley Chambers, and my wife Jayne Chambers use 2536 Queen Anne's Lane, NW as a residence. We intend to continue using 2536 Queen Anne's Lane, N.W. as one of our residences.

The addition of the balcony allows for addition egress from the house. Currently, there are two egresses on the first floor only. The addition of a balcony and staircase would permit easier access to the backyard and safety if there should be a fire. The two current double-hung windows and the current sliding glass door are being replaced with energy efficient windows and doors. The current windows and doors are original to the house.

Thank you for your consideration.

Jayne and Wiley Chambers
