Re: BZA Application No. 19039 / Wiley and Jayne Chambers

Dear Mr. Vargas,

I write in support of Wiley and Jayne Chambers's application to construct a balcony with a staircase to their one-family townhouse at 2536 Queen Annes Lane, N.W.

As a long-time owner of a townhouse on the same block, I appreciate the investment that Wiley and Jayne Chambers are making in their townhouse. After more than 15 years of owning a townhouse this very block, I have learned that the people who invest in their homes help the community. I have learned that investment in homes in this neighborhood helps the community because:

1. investment in neighborhood homes like Wiley and Jayne Chambers propose makes for better neighbors;
2. investment in neighborhood homes like Wiley and Jayne Chambers propose makes for a more stable neighborhood;
3. investment in neighborhood homes like Wiley and Jayne Chambers propose makes for a more stable community; and

4. investment in neighborhood homes like Wiley and Jayne Chambers propose makes for a community more supportive of families and families with children, which is particularly important to me and my family.

I don't know Wiley or Jayne Chambers. But I have reviewed the materials in connection with their application. I think their application makes sense. I support their application and their investment in the neighborhood.

I am happy to discuss. I am generally available during business hours at 202-434-5321.

Thank you for your time and attention to this application.

Sincerely,

Steve Cady
