Dear sir / madam,

Subject: BZA hearing of case 19040 for
Vacant lot at 6002 Clay St. NE Washington DC 20019. (SQ 5266 LOT 0011).

We own above vacant lot at Clay St. NE. Lot area and width of this vacant lot are not big enough to build a house as a matter of right. Therefore, we requested a variance to BZA to build a detached SFD.

Please let me know your suggestions, if any. We would like to meet with you to discuss about any matter, so let me know your convenient time.

Thanks.

Good afternoon Mr Holmes,

I would like to take a moment to sincerely thank you for your support all along communicating with me since we initiated contact and for the opportunity you gave me to present our construction plan to you, your colleagues and your constituents last night. I want to extend my thanks also to commissioners Gaffney and Cosby for welcoming your idea to allow me time in your tight agenda. I discussed after the presentation with Mr Dorsey outside the building and we have plans to work together in upcoming projects, he is one of our valuable customers and we'll use his recommendations as well as yours for other potential contractors' services we can utilize in the neighborhood. I look forward in hearing from you for hopefully your support for the July 14th BZA Hearing.

Respectfully yours,

Oumar Seck

Good morning Mr Holmes,

I spoke with Ms Gaffney who suggested that I reach out to you one more time since we have not been able to connect with Ms Patricia Malloy, to humbly request to be added to your agenda tomorrow evening for a very brief moment, maximum 5 minutes, to describe the above property which is set for BZA hearing on July 14th 2015. Ms Gaffney expressed her approval to be on her agenda tomorrow for 6002 Clay St of her commission. I was also told that this Thursday meeting is the last for the summer. We have been trying to contact you and your colleagues for few weeks.
Thank you for your consideration.
