RE: Building Permit for 4926 Foote Street, NE (Lot 0003 – Square 5180)

To Whom It May Concern:

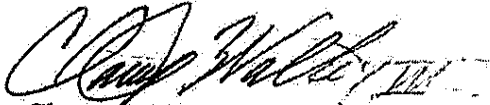

My name is Clarey Walker, III and I am the property owner at 4930 Foote Street, NE. I am delighted to hear that District Properties has the opportunity to build a home on Lot 0003/Square 5180 and offer my full support.

The quality and craftsmanship of District Properties are tantamount to perfection. Their attention to detail and the voice of the community are remarkable. This company is a change agent for the District of Columbia as they are providing brand new and renovated homes for District residents. They are changing the landscape of the city and raising the bar for builders. In fact, many of their homes are sold before they are even completed, which speaks volumes to their following.

I have no reservations with District Properties building on the lot adjacent to me as it would clear the land of an otherwise blemish on our block.

If you have any questions regarding my support to this property being erected, please do not hesitate to contact me at 904-535-4444 or clareywalker03@aol.com.

With warm regards, I remain,

Clarey Walker, III
