PLEASE TAKE NOTICE, that the undersigned will bring a motion to:

Motion to Reconsideration

Points and Authorities:

Please state each and every reason why the Zoning Commission (ZC) or Board of Zoning Adjustment (BZA) should grant your motion, including relevant references to the Zoning Regulations or Map and where appropriate a concise statement of material facts. If you are requesting the record be reopened, the document(s) that you are requesting the record to be reopened for must be submitted separately from this form. No substantive information should be included on this form.

The Applicant and Zoning sent ANC7C an application during the summer months (July, August) when ANC7C was on recess. Upon our return, ANC7C informed the applicant of our variance review process which required him to present at our Executive Meeting on 8/28. The Applicant did not attend due to illness. ANC7C asked the applicant to present at our General Meeting on 9/10. The Applicant's presentation didn't provide enough information for final judgment. On good faith, we asked the applicant to attend our next Executive Meeting so we could go over the details. The applicant agreed to the request, but did not show up to our Executive meeting because zoning already gave him the approval. ANC7C wants to Zoning's to reconsider their decision.
