Subject: BZA Case No.19042 for 4275 6th St SE

Dear Mr. Moy,

Prior to 8D ANC monthly meeting on June 25th, commissioner Olivia Henderson, of 8D02 designated to this specific area, and I had a positive discussion about the property. She welcomed the idea to develop the lot that will stop the different unlawful activities that were taking place on the lot

At the meeting, almost all neighbors liked our proposal and house plan. I ran out of copies for a room that had a pretty good attendance. They inquired about the price and few details of the new house.

Out of seven commissioners, only two were opposed, one who firmly believed that we are proposing to build illegally in their community and the other was opposed only to request that plans be modified to look the same as the rest of the existing elevations. A vote of 5 Yes to 2 No approved the variance.

Respectfully,

Oumar Seck
