Mr. Cushman,

Thank you coming to our office earlier this week and speaking with me further about your concerns regarding the alley lot and the recently issued certificate of occupancy. I truly appreciate the time you've taken to document those concerns in detail. As I mentioned during our meeting, we are actively working to provide a zoning determination on the matter.

As you are aware, Mr. Le Grant is out of the office this week and is scheduled to return on Monday, April 27th, 2015. My goal is to meet with him as quickly as I can in order to respond to your concerns and questions. I will follow up early next week with a status of our investigation. My hope is to be able to provide answers and a zoning determination to you at that time.

Regards,

Rohan Reid
