Hi Mr Reid / Ms Beeton,

I am writing because it now seems that an Enforcement Action is required.

I am attaching two photos of the back area being used as a parking lot.

The owner has apparently rented out the back portion of the lot (behind the Garages on the Alley Lot) to Zipcar for use as a parking area. This is not in accordance with the zoning regs as your attached email notes. Please begin an enforcement action and keep me informed of zoning office actions regarding Lot 810.

Regards,
Michael Cushman
