Good afternoon Mr. Cushman,

Thank you for your email and please accept my apology for the delay in getting back to you. I recall our correspondences about this property last year and I will begin to look into the current use of the lot for the parking of Zipcars. The photos you sent along are very helpful. I will follow up with you early next week to provide an update on my research and investigation. In the interim, please feel free to contact me with any questions or concerns.

Regards,

Rohan Reid
