Re: BZA No. 19056 – 3324 Dent Place NW – Request to file supplemental materials
within 7 days of the hearing

Dear Chairperson Heath and Members of the Board:

A letter from Advisory Neighborhood Commission 2E is attached with a new recommendation for the Board in the above-captioned case.

The letter responds to supplemental materials filed by the applicant within the past 30 days. The first time ANC 2E could consider these supplemental materials was at our public meeting held earlier today. We request, therefore, that the rule requiring at least 7 days' advance filing not be applied in this instance and that our new recommendation in the attached letter be admitted into the record.

Sincerely,

Ron Lewis
Chair, ANC 2E
