To whom it may concern

We (Joshua and Judith Halpern) own and reside at 515 Tenth Street NE. We support Andrew Hollinger and Niki Holmes' request for a variance to add a rear deck at their house 1007 F Street NE, extending into the alley behind their house to the same length as the decks at 1001 and 1005 F Street NE.

Our house does not border on the alley, but is separated from it by a single row house, 517 Tenth Street NE.
