Dear Neighbors,

We are writing this letter in support of your application for the zoning variance needed to build a deck on the back of your property, 1007 F St NE Washington DC.

As homeowners at 517 10th St NE Washington DC, we feel that it would create a pleasant sight line in the alley we share in building a deck of the same dimensions and size as those found next to you at 1001 and 1005 F St NE Washington DC.

We are in favor of your appeal and hope your variance is approved. Please let us know if we can be of any further assistance in your building efforts.

Sincerely,

A handwritten signature in black ink, appearing to be "Eric and Aarin Roozen", written over a horizontal line.
