Request to reschedule BZA Hearing

BZA Case#19066
Garage Addition
1100 Euclid St. NW
Lot 115, Square 2865
Zone R4

My clients, Gabe and Stephanie Klien, owners of the row house at 1100 Euclid Street NW, are scheduled for a BZA hearing November 24th. However, due to a procedural misunderstanding no affidavit of posting has been submitted nor the posting set up within the 15 day requirement.

As the architect representing my clients can we set up a new hearing so that the posting requirement can be met.

Thank you,

Julian Hunt, AIA
