To Whom It May Concern,

I am writing this letter to support my neighbor against the current approved permit for 1117 Allison Street NW.

I have been in this neighborhood since 2001. This is a quiet residential neighborhood with single family houses along the street. I was attracted to the look and feel of the area and as it is row houses we are all connected, literally. This project that is going to add 3 condos on 1117 is really a terrible idea. I certainly would not want someone to add 3 families next to me!

I would like the approval of the permit revoked. The zoning regulations limit land occupancy to 60%. The current plan calls for occupancy over this at 61.9%. Neighbors have not been consulted and it is NOT something we want in our neighborhood.

Sincerely,

James B Wilson
