## **INFORMATION**

A motion is a procedural device requested by a party to the case to bring a limited, contested issue before the Zoning Commission (ZC) or the Board of Zoning Adjustment (BZA) for decision. A party may submit a motion at any point; however it is recommended that motions be submitted ahead of time for consideration by the ZC or BZA.

Use this form if you are a party to a case and you would like to request that the Zoning Commission or Board of Zoning Adjustment entertain your motion. For example:

- a). Motion to continue or dismiss; or
- b). Motion to reopen a closed record to accept a document.

A motion will be entertained by the Commission or Board at a meeting or as a preliminary matter at a hearing. At that time a decision will be rendered. Please note, in the case of a request to reopen the record, pursuant to 11 DCMR §§3024.1 and 3121.9, the request will be presented to the Chair for consideration. The request must demonstrate good cause and the lack of prejudice to any party. If granted, the materials shall be entered into the record.
