

Hello,

I support the garage apartment project of Alex Hastings, of 1329 Holbrook St. NE DC. I've known Alex for over 10 years and I know him to be a conscientious member of the Trinidad community where he has lived almost 10 years. Having recently started a family, Alex will be here at least another 18 years, raising his family. Given that, he's spent a lot of time designing the structure to remain harmonious with his existing home and his neighbors. I support his application.

Kind Regards,

Kevin Horgan
