To Whom it May Concern:

I, Georgette Law, am the legal owner of the property at 2116 2nd St NW, which I inherited from my mother Olar Campbell, and have lived at for more than 50 years. I am aware of the proposal of my abutting neighbor Michelle Munn at 2118 2nd St NW DC 20001 to build a one-storey addition that will enclose her back porch and go an additional 4'6" back off the rear porch to add a total 90 square feet of space off her existing kitchen bump out [total addition is one story structure, 10 feet wide by 9 feet deep]. According to the proposed footprint drawing I have reviewed, she will be building straight back only, and will not be encroaching closer to my house; she will maintain the existing approximate 4 feet distance between her current kitchen and our joint property line. This signed letter is to indicate my full support of Ms. Munn's proposal.

Any questions may be directed to me at phone number 202-~~3~~436-2456

Sincerely,

Georgette Law
