Re: BZA Application of Andrew and Hope McCallum
4108 Garrison Street NW, Washington, DC 20016

We are the owners of 4106 Garrison Street NW which is an adjacent property to 4108 Garrison Street NW, Washington, DC 20016. Our neighbors, Andrew and Hope McCallum, are seeking a special exemption of the DC zoning laws to build an addition that does not meet the current side boundary setback on the east side of the lot.

They have shared the drawings of the proposed addition that have been submitted with their application to the BZA. We have reviewed the materials and have no objection to the requested special exemption.

Sincerely,
