

Dear Sirs,

I am concerned as a resident in Petworth that a new building is being proposed at 3701n14th Street N.W. without any parking.

As someone who uses street parking it is already very hard to find a space. This seems like a shortcut on the part of the developer with no concern for the existing residents of the area.

I would urge you to not grant planning permission without a requirement for parking.

Yours Sincerely,

Oliver Dearden.
