

BEFORE THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT

Application of Gregg Solomon and Sarah Helmstadter (the "Applicant")
4334 P Street, N.W.; Square 1324, Lot 44 (the "Property")

Minor Correction to Applicant's Statement

It has come to the Applicant's attention that there was a minor typological error on Page 2 in the second paragraph of The Applicant's Statement. The underlined text "R-3" as indicated below is the correct Zoning District adjacent to the subject property referenced in the excerpted text from the Statement.

There is an R-3 Zoning District on the north side of P Street, N.W., which allows for higher density than the R-1-B District.
