Government of the District of Columbia
Board of Zoning Adjustment
441-4th St. N.W. Suite 220 South
Washington, D.C. 20011

To Whom it May Concern:

In regard to the application
of 307-Taylor St., N.W. to convert
the residential building into a
three-unit apartment house:

I am Not in favor of this conversion.
Parking is a problem now. We who
live in this block (forty hundred block of Third St)
have to search blocks away at times.

Sincerely,
Janette H. Smith
