SUBJ: Roosevelt Senior High School Modernization
4301 13th Street, NW Washington DC

Dear Chairman Marcou:

On September 10, 2014, at a properly noticed community meeting, and with a quorum of Commissioners present, Advisory Neighborhood Commission 4C (ANC 4C) voted unanimously to support the Department of General Services' (DGS) public space application for constructing two drive curb cuts along the 4300 block of 13th Street NW and the installation of an eight (8) foot tall fence along the softball field.

ANC 4C fully supports the District of Columbia's efforts to fully revitalize the Roosevelt High School campus. To that end, we fully support DGS' vision, renovations and alterations to the building and exterior improvements. This includes efforts to restore the school's entrance and future driveway along the 13th Street corridor, and to secure the softball field with fencing.

We appreciate your consideration of ANC 4C's "great weight" in this regard, and welcome any question or concern you may have.

Sincerely,

Shanel Anthony, Chair
