Re: 4308 47th Street NW BZA No. 19120. Request for Continuance.

The related application to the case of reference above was initially on the expedited hearing calendar and scheduled for the BZA deliberation on November 20, 2015.

In response to a neighbor's request for a party status in opposition, the application has been removed from an expedited calendar and placed on the Board public hearing schedule on December 22, 2015.

The applicant respectfully requests continuance of the scheduled hearing for the first available date in February 2016 or as availability on the Board's calendar will accommodate.

The additional time is necessary to allow time to:

1. Work with the affected ANC and neighbor to possibly address the concerns of the opposing neighbor;
2. Accommodate the schedule of the applicant's representative who will be outside of the country December 15, 2015 through January 15, 2016.

As attested by the submitted ANC resolution, both parties are agreement that the additional time may prove useful towards amicable resolution of differences.

The applicant respectfully requests that a continuance be granted for the foregoing reasons.

Thank you in advance of your consideration.

Sincerely

Toye Bello
