

As a long-time Dupont Circle resident, I support rebuilding St. Thomas Parish. The proposed project, however, does not conform to the Dupont Circle Zoning Overlay, and it would do irreparable damage to the neighborhood's character. I therefore join ANC2B, the Dupont Circle Citizens Association, the Church Street Neighbors, and Councilmember Jack Evans in opposing the subject variance.

John Hammond

The best and most immediate way to contact me is by phone: **202.463.5103**. I use my answering machine to screen for robocalls, but I answer whenever possible once someone begins to speak.
