Please note my strong opposition to any zoning variance for the St Thomas Church

As a Dupont Circle area resident, and member of the Dupont Circle Village, I have been following the discussions on the St Thomas Church reconstruction plans for some time.

Frankly, I am amazed that the process has not led to a much more modest development which is consistent with the surrounding neighborhood. I was sure that the zoning process would come to the right decision in the end, and have been very disappointed with what I have heard so far.

Please support our community and keep the development modest and balanced with the character of this area.

Best regards,
