

I am writing to support keeping the Dupont Circle community as a sustainable, pedestrian friendly and historic community. I oppose the variance request for a big development on the 1700 block of Church Street. (exhibits 69 and 71, respectively, on your BZA's web page for this case--

<https://app.dcoz.dc.gov/Content/Search/ViewExhibits.aspx>).

Thank you for your consideration of my comments.
