Request for BZA Hearing Postponement

Hello,

I was set to have a hearing on 12/22/2015 regarding a parking variance. However, I would like to request a postponement to 01/12/2016 for the following reasons:

-I have contacted the ANC6e member, Kevin Chapple and he scheduled us to be heard by the ANC on 01/05/2016.

-We were unable to post the orange placard for the 15 days. This postponement will allow us to have the sign posted for the required amount of time.

Thank you.

Best Regards,
James Suh
