

BZA App # 19133

Bonnie Gerrity
1545 18th St NW
Dupont East
Dec. 7, 2015

To members of the Board of Zoning Adjustment:

Please deny the application of St. Thomas' Episcopal Parish for variance from lot occupancy requirements.

We who live near the church have very little greenspace as it is now. Please do not take away the space that is left to us by this proposed development, the space that is due the many of us, as a matter of right, for the sake of one development.

I urge you to uphold the occupancy regulation that currently is in place. Please help preserve our historic character and quality of life by denying St. Thomas' request for variance on Dec. 15th.

Sincerely,

Bonnie Gerrity
