OFFICE OF ZC11

Dear Mr Lloyd,

I am writing in support of the Southwest Social Scene, trading as The Crucible, members-only private club For over two decades, The Crucible has operated successfully in both the Southwest and Downtown areas The Crucible, known for a being a good neighbor, has fostered long-lasting relationships within its surrounding community

In addition to my general support, I also support their request for a change of use from warehouse to assembly at their new location of 412 V Street Northeast The Crucible is seeking this designation for the use of adjoining public parking spaces for its patrons The use of the facility will primarily occur during the evening hours and will not be disruptive

Within all applicable rules and regulations, I respectfully request that you give full consideration to their application Should you need additional information regarding this request, please do not hesitate to reach out to Keenan Austin of my staff at 202-724-8105 or kaustin@dccouncil.us

Thank you and I look forward to your attention to this important matter

Sincerely,

David Grosso
