To Whom It May Concern:

My neighbors Brad Edwards and Alan Lopez are renovating the home they have shared for the past 25 years, at 1723 Swann. Most of the work is on the interior, but they also plan to renovate the exterior rear façade. Their plans include a deck 6' by 8', extending out from the rear wall at the second story level.

I have reviewed their renovation plans and believe the proposed changes, including the deck, will enhance the beauty of the rear façade and will benefit all of us who share the Swann and T Street alleys, through increased real estate values.

Sincerely yours,

Mary Haber
