To Whom It May Concern:

Our neighbors Brad Edwards and Alan Lopez are renovating the home they have shared for the past 25 years, at 1723 Swann. Most of the work is on the interior, but they also plan to renovate the exterior rear façade. Their plans include a deck 6' by 8', extending out from the rear wall at the second story level.

I have lived in our neighborhood for more than 30 years and I believe that carefully planned changes like the one Brad and Alan are proposing will benefit all of us.

I have reviewed their renovation plans and we believe the proposed changes, including the deck, will enhance the beauty of the rear façade and will benefit all of us who share the alley between Swann and T, through increased real estate values.

Sincerely yours,

Iris Molotsky
