BZA Application – Washington Latin Public Charter School Gym Addition

Statement of Intended Use

The intended use of the Washington Latin gym addition is for Washington Latin Public Charter School Middle school and High school physical education, athletic practice and events, and other school uses. The gym will have one full sized basketball court with striping for volleyball and bleachers along the west side of the gymnasium. The building will also contain boy's and girl's locker rooms, a storage room, a faculty shower, a small fitness room with cardio equipment and free weights, and two offices.
